Dear families

We have had a #incredible week at Cottons Farm.

We were able to have an assembly all together for the first time since the Covid-19 Pandemic! We did this by sitting outside and ensuring that all bubbles were 2 metres apart. It was lovely to have all the children together and we all agreed it was much better than being on Microsoft Teams! If the weather continues to be good, we will have all our assemblies outside for the rest of the academic year!

This week has seen children doing some assessments to help teachers with giving end of year grades. We understand that the Covid-19 lockdown will have made a difference to these grades but it is still important for teachers to capture an accurate picture of how well children are doing to help with planning for next year. We hope that children do not feel stressed about these tests but rather appreciate them as a chance to show off what they do know!

Have a lovely weekend and if you are watching the football – come on England!
