Dear families

Wow! It has been a very busy time since I last wrote to you before Christmas. We are back in lockdown and for many of our students that means they are now learning from home. We understand that this may be a time of heightened anxiety for you and it maybe difficult for you to balance other commitments with supporting your children with remote learning.

We are offering between 3-4 hours of remote learning a day and the teachers are working very hard to deliver this and support pupils who are still in school. Please make sure you are logging into Purple Mash daily to read the emails from your child's class teacher. This will explain all the learning for that day. In addition, please ensure your child is attending the daily Teams catch ups with their teacher. Remember, schools are not closed we have just changed the way we are teaching. This means remote learning is not optional.

We have had some impressive commitment from pupils and we will celebrate those who have been doing especially well in todays assembly :)

Value of the Week

E|MPATHETIC

Virtual Assemblies

Remember to login to Teams for our virtual assemblies. We have two a week

- 1:15pm on Wednesday
- 1:00pm on Friday

We very much hope to see all of our wonderful children at home. Just phone the school office if you need any help getting on.

Support

It might be a challenging time for you at the moment. We know lockdown makes life harder not easier. If you do need support at this time, we are still here. Please ring the school and ask to speak to Mrs Gaskill, Mr Stockwell or Mrs Hadfield.
