22.02—return to school

08.03 & 09.03 - Parents Evening (via phone)

02.04 - break up for Easter

More diary dates may be added as and when we return to being fully open :)

Dear families

We are continuing to support families with remote learning or learning in school. Last week, we had 63% of children engaged with some home learning. This is up from 50% in the first week. This is a good start but we want to do even better! We are here to support with

- Door stop visits
- Phone calls
- Devices (if we can)

We firmly believe there is now no reason why children should not be accessing home learning. Not accessing home learning is the same as not attending school. As such, from next week you will be contacted by the admin team if your child does not attend teams check ins. You will be asked to explain their non-attendance and if a legitimate reason is not provided, this will be coded as a **unauthorised absence**.

Please do get in touch if you are having any issues and we will work as fast as we can to resolve them. Let's make it our aim as a school to have 100% engagement next week! Together we can be #Incredible!

Mr Stockwell

Value of the Week

DILIGENT

Support

It might be a challenging time for you at the moment. We know lockdown makes life harder not easier. If you do need support at this time, we are still here. Please ring the school and ask to speak to Mrs Gaskill, Mr Stockwell or Mrs Hadfield.

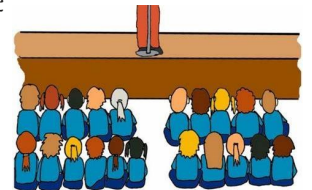

Virtual Assemblies

Remember to login to Teams for our virtual assemblies. We have two a week

- 1:15pm on Wednesday ([link](#))
- 1:00pm on Friday ([link](#))

We very much hope to see all of our wonderful children at home. Just phone the school office if you need any help getting on.

THE HARMONY TRUST
BELIEVE • ACHIEVE • SUCCEED

This is what the Purple Mash home screen looks like:

Any 2Dos set by your teacher can be found here

Any unread emails/2dos will also appear here

Access the daily email sent by your teacher here. This will explain all the work set

If 2Email can't be accessed as above, type 2Email into this search bar and you can go back to your inbox from here.

The screenshot shows the Purple Mash home interface with a navigation bar (Home, 2Dos, Work, Sharing, Alerts), a search bar, and various activity tiles like Tools, Games, Mini Mash, Serial Mash, English, Mathematics, Science, Computing, Art, and Topics. A 'Featured' section on the right highlights '2Email' and 'Parents and Home Support'.

This is what the Padlet will look like (accessed from the link in purple mash email). Although on a real Padlet there will be more content on the page

Remote Learning Pretend Class

Your child will have a "note" for them to complete their work

You can "edit" their note by click on the 3 dots in the top right corner.

You can access all the worksheets, videos and links needed for the learning on the Padlet.

Click the camera icon at the bottom of the note should you wish to add a picture of the work your child has completed.

The screenshot shows a Padlet workspace titled 'Remote Learning Pretend Class' with a space-themed background. A note titled 'Joe Blogs' is displayed with a list of tasks: 'Do it', '1.', '2.', '3.', '4.', '5.', 'Twist it', and 'Solve it'. A camera icon is visible at the bottom of the note.
