23.04 - Harmony Trust Digital Lift Off event.

More diary dates may be added as and when we return to being fully open :)

Dear families

We have had a good second week back with our children. It has been good to see children getting on with their learning and working hard. We are spending some time doing assessments so we can properly target our teaching in the summer term.

So you are aware, we currently have quite a few members of staff off at the moment due to having to shield or being off with ill health. The following classes have their teachers off until Easter but are being covered by experienced staff in school.

Caterpillars - Mrs Lambert

Gruffalos - Mrs Hadfield

Should you have any questions about the learning for a child in this class please do let us know!

Have a lovely weekend and we will see you on Monday.

Mr Stockwell

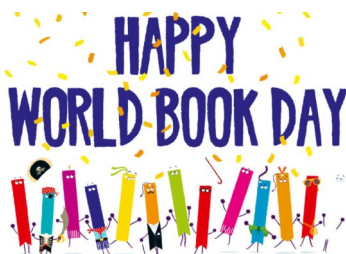

Value of the Week

R|ESILIENT

World Book Day Books

Today all children will bring home a free book to Celebrate World Book Day (that happened on 4th March).

Please do ask your child about the book they have been given and why not read it with them at bed-time?

Online Safety

Keeping children safe online has never been more important. Children are spending more time online and the risks online are just as real as in the real world.

I know as parents you will want to know how you can keep your children safe. You can login to the National Online Safety website with the link below. Once you login, there are courses suitable for parents of children of different age groups. Why not sign up and stay informed about online safety.
